Please note:

The lot is owned/managed by Westfield Montgomery, but the Montgomery County Department of Transportation has an agreement with the mall for Commuter Parking between 5:00am - 7:00 pm, Mon - Fri. The agreement was intended to facilitate parking for commuters taking transit from the transit center. That is a defined area and parking by commuters or others who are not patrons of the Mall outside the boundaries of our current agreement with the Mall for that commuter parking area is not permitted.
